

MENTORING THIS MONTH

Spring

APRIL 2023
VOLUME 1

MONTHLY DISCUSSION TOPICS

Based on the annual survey, many of you indicated that having topic ideas to start conversations would be helpful. Here's where you can find *suggestions* each month. These are just suggestions, and I welcome any suggestions you might have for the group (just email me at dcrawfordwhite@daytonfoundation.org), so that I can include them for future months.

APRIL DISCUSSION TOPICS

- How would your best friend describe you?
- Do you know what the minimum wage is? Do you think that it should be increased?
- How do you think your relationship with your family will change after you finish high school?
