

Please let us know if one of our College Promise Scholars has noteworthy news or has been “caught doing good!” It may be featured in an upcoming LinkedIn post or *Mentoring This Month* issue. Also, provide a quality photo of the nominated student and any other pertinent details, such as a link if it is a news article. Feel free to use an additional sheet of paper, if needed. **Submit to: [krobinson@daytonfoundation.org](mailto:krobinson@daytonfoundation.org)**. Thanks for helping us celebrate the MCOCP good news – inside and outside of the classroom!
