

MENTORING THIS MONTH

JUNE 2023
VOLUME 3

A large, stylized, 3D graphic of the word "June" in a cursive font. The letters are white with orange outlines and shadows, giving them a three-dimensional appearance. The graphic is positioned on the right side of the page, partially overlapping a large green circle.

Hello Mentors,

Welcome to June- the time of barbeques and graduations. We decided to keep the newsletter going over the summer- just a condensed version.

JUNE DISCUSSION TOPICS

- What is the most memorable act of kindness that you have witnessed?
- What subject is not taught in school that you think should be?
- What would you like to learn how to do?
- If you could be invisible for a single day, what would you do?
