

MENTORING THIS MONTH

November

NOVEMBER 2023
VOLUME 1, ISSUE 7

Hello Mentors,

The first quarter report cards have been sent out. If you haven't received one for your student, please follow up with Jenni. You hopefully have seen Patrick's email last week and know that we have a new Student Support Specialist, Kyra Robinson. She brings a wealth of experience in higher and secondary education. Most recently she was a program manager for SOCHE, where she managed a high school internship program. She is looking forward to working with all of you and you will have the opportunity to meet her on the next mentor roundtable. Her email is krobinson@daytonfoundation.org.

NOVEMBER DISCUSSION TOPICS

- What is your favorite holiday movie?
- What are you most thankful for?
- Does your family have a favorite holiday tradition?
- What worries you or excites you most about going to college?

REMHINDER

MENTOR REMINDERS

- **All Mentors-** Our next Mentor Roundtable is Thursday December 14th at 3 p.m. by Zoom. More details will be communicated beforehand.
- **10th Cohort Mentors-** When working with your student, be aware of application deadlines for colleges. To be considered for some scholarships, like the University of Dayton Flyer Promise Program, students need to meet deadlines (in that case December 1st). Expect the FAFSA to be available by early 2024.
- **11th Cohort Mentors-** Save the date for our College Night on Thursday February 22nd at the University of Dayton. More details, along with a formal invitation, will be mailed to your student and their family.
